Inspiring Races in Beautiful Places™

CORONAVIRUS SAFETY

Whilst legal restrictions will have been lifted in time for the event, the implications of catching covid-19 or coming into contact with an infected person remain real. Our event attracts over 1000 people from different parts of the country and we want to make the event as safe and relaxing as possible for everyone so please be respectful of others both on the course and in and around the venue.

Like us, you may not yet feel comfortable being in large groups and whilst the risk of coming into close contact with someone with covid-19 is high with the consequence of either infection or the requirement to self-isolate for 10 days, we are only relaxing some of our precautions.

We are re-opening Registration for you to collect your number but we request you wear a mask for the short time you are inside our marquee and we will still have hand sanitisers to use in there and at the Start and Finish.

We are offering the option of both a Waved Start and Mass Start.

For everyone's safety, we request you take a free lateral flow test before attending the event. Further information, including how to arrange one or get the test kit posted out to you, can be found [here](#). We may ask you to show us proof of a negative test (which comes by text message or email) before you are allowed to start.

You must continue to follow all Government guidance and not travel to the event if you:

- are experiencing any [coronavirus symptoms](#)
- are [self-isolating as a result of coronavirus symptoms or sharing a household or support bubble with somebody with symptoms](#)
- have been advised by the [NHS test and trace service](#) that you should self-isolate

If you are unable to take part because you are self-isolating, we are happy to defer your entry to 2022 if you [email us](#) **before** the event with a screenshot of your Test and Trace app screen showing your postcode and isolation period.

IMPORTANT INFORMATION

DOGS AREN'T ALLOWED ON THE COURSE OR IN THE RECREATION GROUND

FOR YOUR SAFETY, NO IN OR OVER EAR HEADPHONES ARE PERMITTED ON THE COURSE

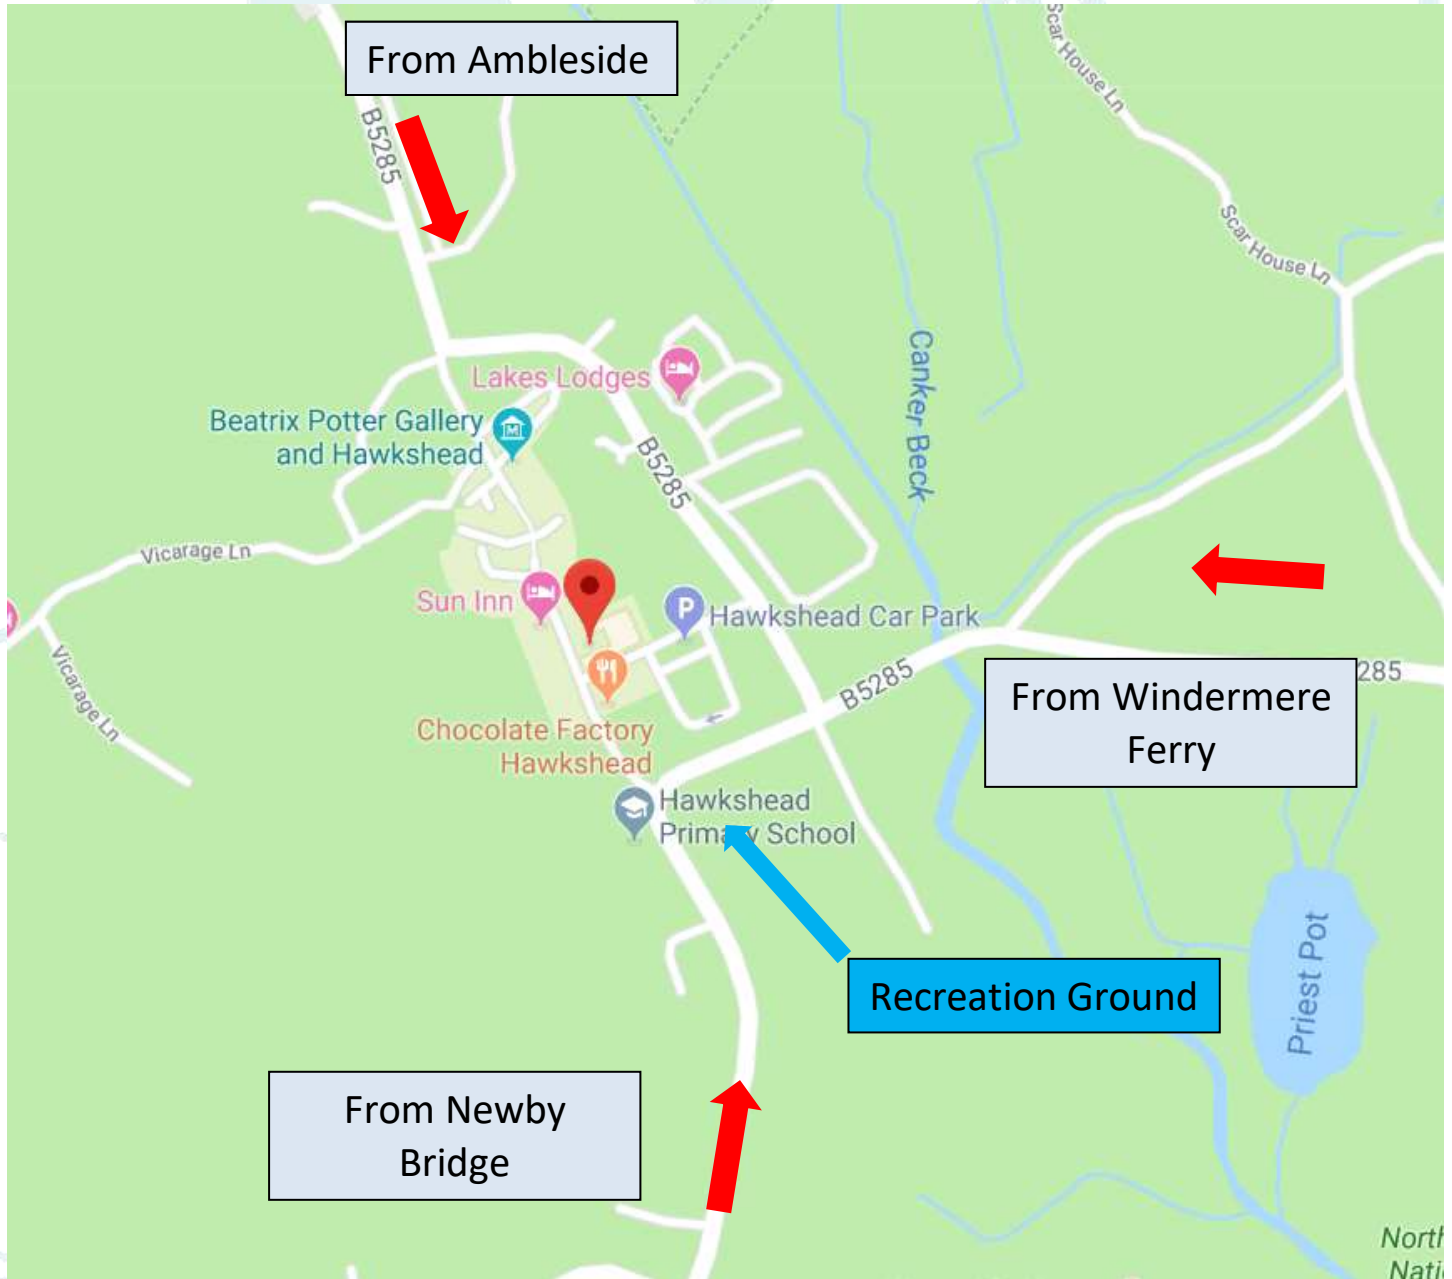

TRAVEL AND PARKING

All day car parking is available for £3 per car – payable by contactless card or exact change. Please remember that old pound coins are no longer legal tender – we've had over 20 people this year use them! The car park opens at **8:45am** and is located a short walk from the Recreation Ground. Please note that this parking is **only suitable for cars. Vehicles larger than a small transit van / minibus cannot be accommodated.**

If you're in a larger vehicle, please use the large Pay & Display car park opposite the Recreation Ground. If the weather is very wet leading up to the event, please check the event website for any announcements about possible changes in arrangements.

As we will be operating some waved starts, please be very observant when you arrive and leave as you may be on the same route as runners - the roads will only be closed for the mass starts.

Directions – The postcode LA22 0NT will direct you to the centre of Hawkshead. We will have two car parks in use depending on what time you arrive. As you approach the venue, signage and our stewards will direct you to the correct one. It's really important that you follow our instructions to avoid causing congestion in the village – we want to minimise the disruption to the local residents.

REGISTRATION

All Race Numbers must be collected from Registration in the main marquee on race day – we are not posting any out.

Registration **opens at 9:00am** and you can collect your number up to **30 minutes before** your allocated start time event.

Start Lists will be available to view [HERE](#) and will not be displayed in the marquee.

We sent out an email requesting you to confirm your Start Time in your account before Monday 19th July at 10am. You can do that directly from your account [HERE](#).

Please note if you do not select your own Start Time, we will allocate one for you which cannot be changed. We have found that most people who do not book their start time haven't turned up so to prevent wasting t-shirts, we won't order one for you but instead will put the money towards our Tees for Trees initiative. You can find out more about that [HERE](#). You will need to collect your number from the Enquiries Desk on the day if you are coming.

IMPORTANT – when they arrive at the Start Line, lots of people have been requesting to run at a time different to the one they booked. This is not possible as our Timing Manager is unable to deal with all of the swaps on the day (over 200 at the Marathon!) and this has implications on the accuracy of results. If you miss your allocated Start Time, you will be transferred to the Mass Start and if you arrive early, why not grab a coffee and browse the inov-8 / Pete Bland Sports stalls?

If you've got any questions about your entry, please go to the Enquiries desk on the right-hand side of the main marquee and a friendly face will help you.

There will be a baggage storage area adjacent to the main marquee. Please bring as little as possible and lay your bags side by side rather on top of each other.

Please note there are no entries on the day and entries are not transferrable. Runners competing with someone else's number will be disqualified and will not be eligible for prizes or appear in the results. We will also prevent them from taking part in future Lakeland Trails events, such is the safety risk if something were to happen to a person whose details we don't have on our system.

COURSE INFORMATION AND MAPS

Start

Each event will set off from the Recreation Ground with the awesome Boom Dang keeping you entertained at the start. You will need to make your way to the start line 5 minutes before the Start so we can get you off on time (10 minutes if you are in the Mass Start). There will be a separate Start and Finish line to accommodate the Waved Starts.

Waved Start runners will be running on 'Chip Times' (your time will be based on the actual time you cross the line) and Mass Start Runners will be running on 'Gun Times' (your time will be based on the mass start time as in traditional race formats).

On the course

Please remember some people may not be as comfortable being close to others as you may be so be respectful and give everyone space when you are out on the course. **Spitting / snot rockets on the course will lead to disqualification and a ban from future events. If you need to clear your throat or cough, please move well away from the trail and other people and do not cough into your hand.**

All courses will be well marked and marshalled by our magnificent Lakeland Trails volunteers, including members of Coniston Mountain Rescue Team, all of whom work hard to make your run as enjoyable and safe as possible. The courses have a variety of terrain, mainly beautiful, scenic trails with only a short section of tarmac just after the start. Please stay alert on any road sections and keep close to the side. Our marshals don't have authority to stop traffic, so please be prepared to slow down and wait if necessary. Remember to save yourself for the brutal mile-long climb of the Coffin Trail at around 6k on the 10k run and 11k on the 16k run.

If you think the terrain is too tricky, it's fine to slow down or walk and take in the views! Some gates on the course may not be staffed so if you arrive at a closed gate, please close it after you – there will be lots of young sheep in the fields and we want them to stay there. There are sections of private land which may only be used on race day and please put any litter in your pocket until you reach a bin.

Water Stations

As part of our commitment to reduce our environmental impact, please you could play your part by coming self-sufficient with your own water supplies?

There will be TWO water stations on the 16k course and ONE on the 10k course (at 7k on each and 11k). Drinking water will also be available at the finish.

We will not be supplying cups at the Water Stations so please bring your own to be filled.

Finish

The finish is at Hawkshead Recreation Ground under our inov-8 gantry. When you cross the finish line, it's really important that your **whole** number is clearly visible – there are various events on the day, and failure to display your number fully will result in disqualification. Once you've finished, we'll ask you to sanitise your hands before you go through the main marquee to collect your specially designed gender-specific Lakeland Trails T-shirt. If you've chosen the Tees for Trees for option, you can go straight through and enjoy the atmosphere!

We've changed the layout of the marquee so that the male and female t-shirts will be in separate aisles and we'll have each size on display so that you can move through swiftly. Please only pick up the t-shirt you are going to take home.

Photos will be available shortly after the event on [our Facebook page](#) and Results will be available in real-time via [our website](#).

What to wear

We recommend you wear suitable trail running shoes. The inov-8 Roclite trail shoe would be ideal for the course and will be available to try for free on the day. **In adverse weather a cagoule, tights, hat and gloves may be required, so do come prepared, just in case.** The Lake District is a mountainous region and the weather can deteriorate at any time of the year but especially in the spring.

Your Safety

Event Advanced Life Support Medics from Event Safety Group will be in attendance and our in-house Comms Team will provide radio coverage to the marshals and crew. As you will appreciate, the medics have a large number of extra steps to take to keep covid-safe and it's really important that their extra precautions do not compromise their response in an emergency. With that in mind, they may not be able to help you with minor cuts and scrapes that you'd normally be able to sort out yourself.

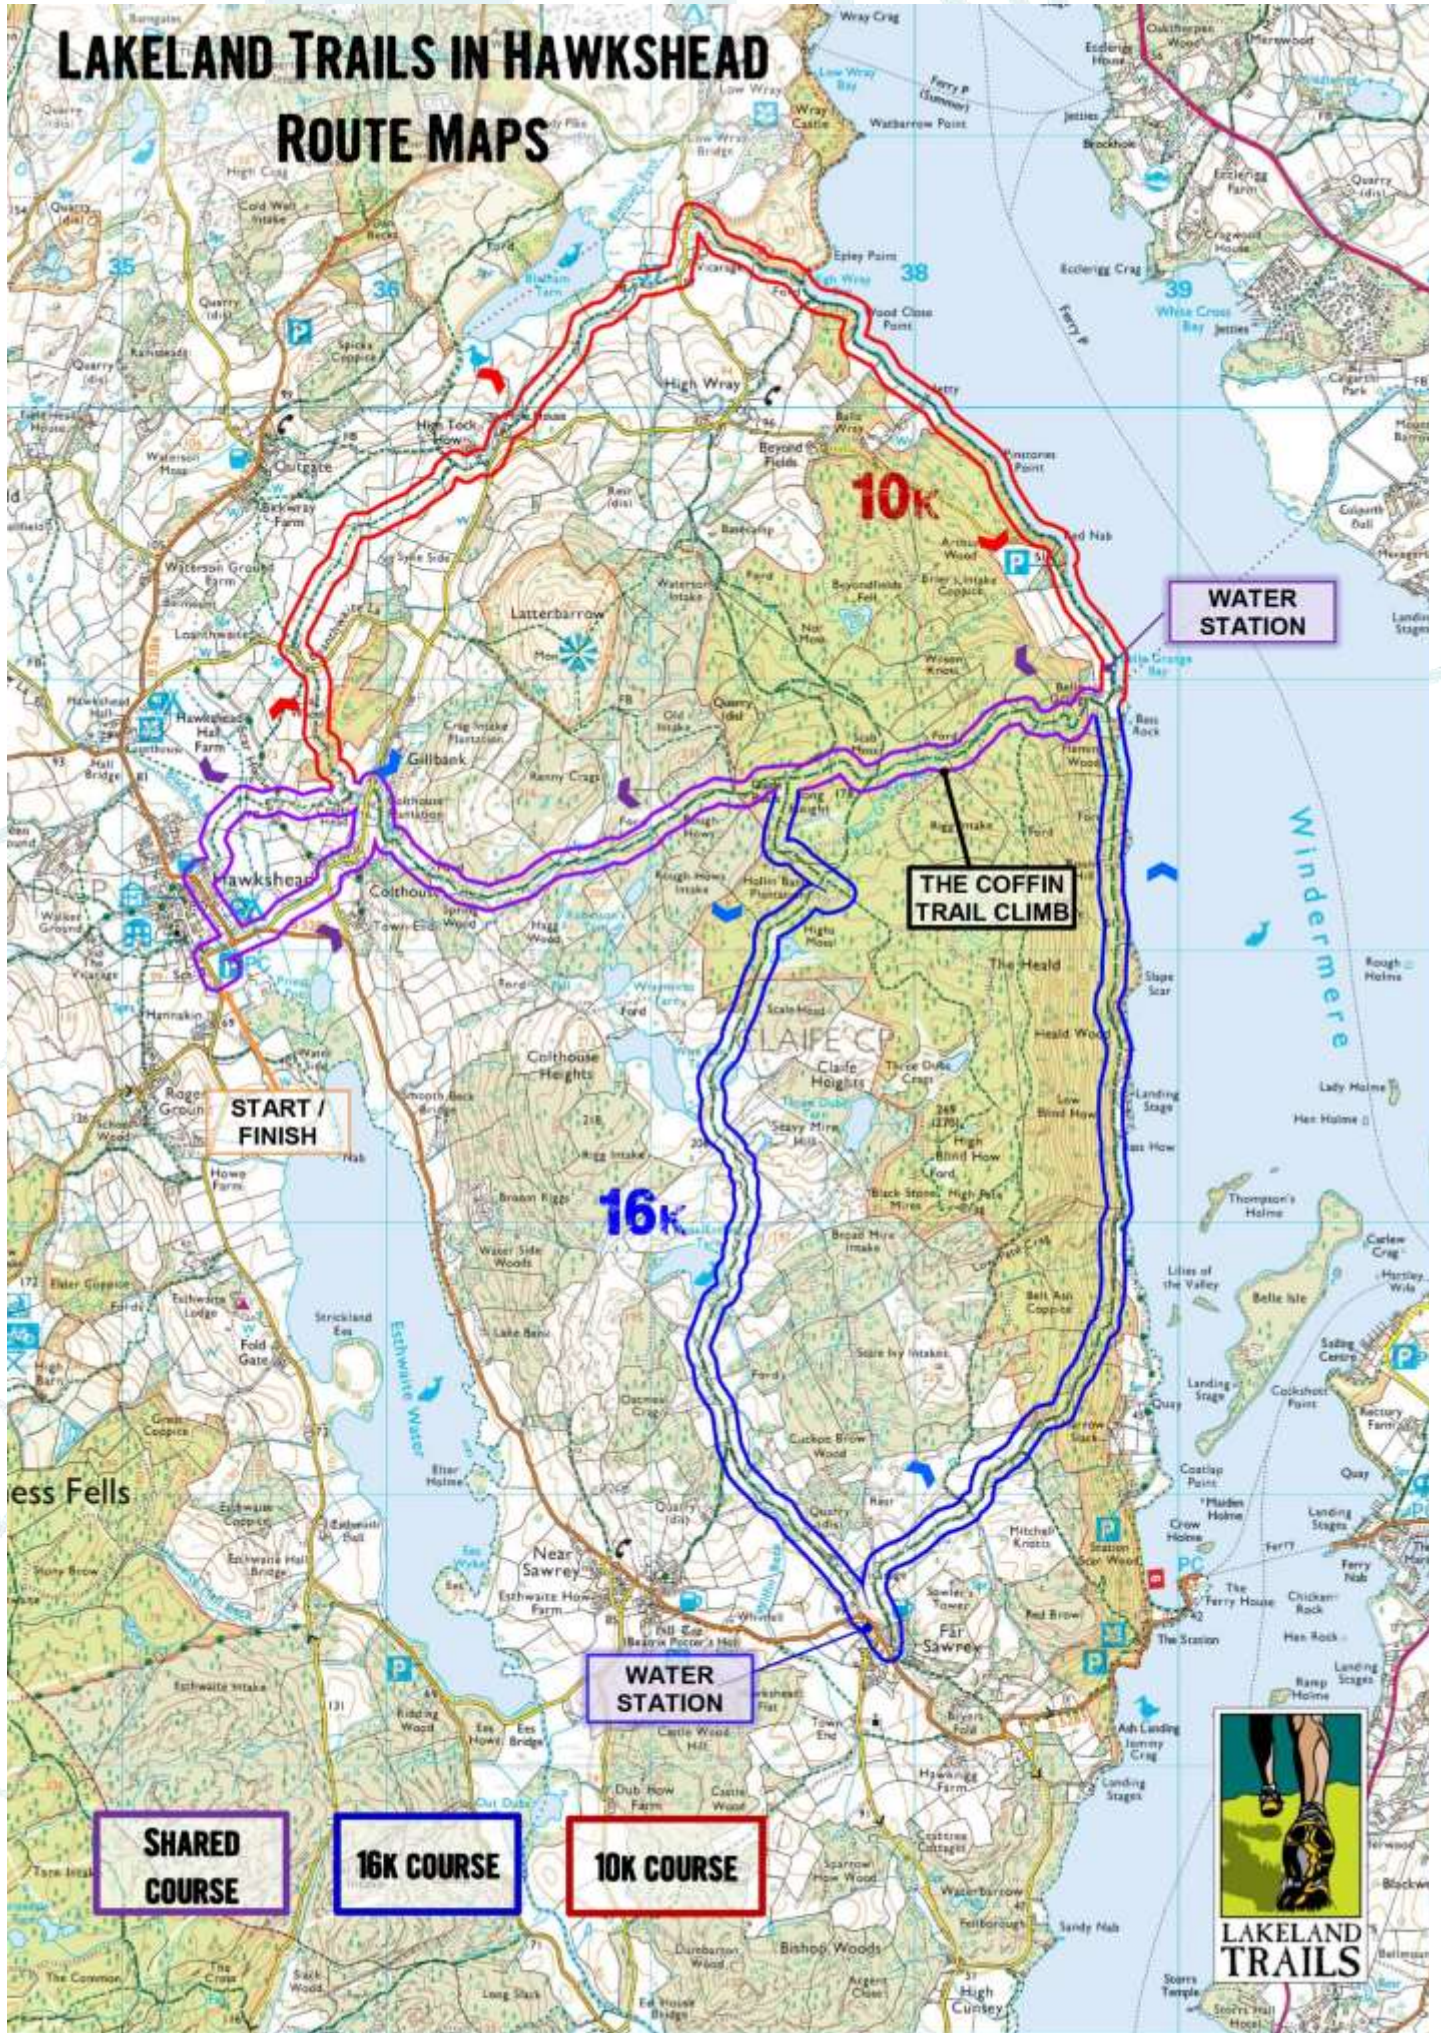

If you are unable to finish your event and need to retire, **you must** report to the finish line or an event marshal.

If you want to run listening to music, the only type of headphones you can wear are the bone-conducting type. **In and over-ear headphones are not permitted** - you will not be able to start if you have them with you and we will disqualify anyone seen wearing them on the course. This is so that you can hear any instructions from marshals on the course and any runners who want to pass you will be able to call out to alert you so you can maintain a safe distance.

Please remember to treat fellow runners, members of the public, our volunteers and crew with respect. We want everyone to have an enjoyable day!

EVENT VILLAGE

Our partner, inov-8, will have their experts on hand to talk to you about their latest products, with Pete Bland Sports selling a wide range of inov-8 products and race essentials. Check them out for some great race day offers!

There will be some great food and drink stalls including exciting offerings from our new caterers the Sourdough Toastie Company and Beans n Lentils; great coffees The Coffee Bug and Fellside Coffee; and our regulars Mansergh Hall (who'll also be offering bacon butties). These are all small local businesses selling locally sourced food as much as possible.

Unfortunately, we won't be able to bring our bouncy castle as we need the generator for our Start Line.

A PA system with race commentary from our fantastic MC will keep you informed of progress of runners and give you a warm welcome as you cross the finish line!

On event day there are limited toilet facilities (Portaloos & urinals) on site.

GENERAL INFORMATION

Meet and Greet

If it's your first event and you want to find out more information on the day, we will have a number of stewards in two-tone hi-vis jackets to direct you.

Exclusive Merchandise

We'll have a limited range of merchandise to buy on the day, including HALF PRICE fashion t-shirts and headwear on a special 'buy one, get one half price' deal. You'll be able to buy our exclusive Lakeland Trails Sports Bottles. Contactless card payments are preferred.

Charity Runners

We extend a warm welcome to everyone running the event for their chosen charity. Please ask our MC for a shout out on the day and let us know how much money you have managed to raise for your nominated charities by [emailing us](#).

Children's Fun Trails – Start 3.15pm

All children Under 12 have the chance to run alongside, or maybe even in front of, Zeraffa, the long-lost cousin of the late and much-loved Gerry the Giraffe. Entry is only available on the day and is **free** for competitors' children. The Fun Trails give children the buzz of the race day experience so please give them your support. You never know – they might be the next world champions! All the children are rewarded with a special finishers' medal. As the emphasis is on FUN and participation, there are no winners' prizes. Bring your whole family along to make a great day of it!

Spectators

Spectators really help create a fantastic atmosphere in the event village and there is plenty of entertainment at the start and finish arena. Bring deck chairs, rugs, cameras and a smile.

Event Photos

We will have a professional photographer on the course and at the start and finish area. FREE photos will be available to download from www.Facebook.com/lakelandtrails on the Sunday after the event.

Après Trails Party and Prize Giving

The legendary Singer / songwriter Pete Lashley will be performing live for an hour from 15.30 – 16.30 with Prize Giving following on afterwards. This is a great opportunity to meet fellow competitors, the organising and marshalling teams.
